CODE OF ETHICS

Adherence to ethical standards is a key criterion in all aspects of cancer patient education and is a requirement for membership in the Cancer Patient Education Network and participation in its activities.

I, as a member of the Cancer Patient Education Network, shall:

- Maintain a high level of personal integrity and professional competence;
- Act always in a manner that reflects creditably upon my profession;
- Protect confidential information;
- Disclose potential conflicts of interest;
- Understand, promote, and implement the laws, regulations, guidelines, and standards applicable to the field of cancer patient education and specifically to my position;
- Abide by the CPEN Bylaws and any administrative policies designated by the Board of Directors; and
- Uphold this Code of Ethics in the conduct of my duties and in my professional associations.

I certify that to the best of my knowledge all provided information is true. I have read and accept the CPEN Code of Ethics.
